**Student Visa**

In the event that a student is unable to obtain a Student Visa prior to commencement of the course, Marcus Oldham College will refund in full any tuition fees paid less a \$250 administration fee.

**Student Withdrawal**

In the event that a student obtains a Student Visa, accepts a place in the course, and then withdraws prior to commencement of the course, an amount of A\$1,000.00 will be retained by the College as a services fee.

**Fee Refunds Related to International Students who obtain Permanent Resident Status in Australia**

Permanent Resident Status is recognised from the date the Permanent Resident Status is stamped in the student's passport, not the date on which the application for Permanent Resident Status is made.

An international student who is granted Permanent Resident Status in Australia prior to the commencement date of the following term is not classified, for course tuition purposes, as an Australian student until the beginning of the term following the granting of the Permanent Resident Status. As such, the student is liable to pay the course tuition fees applicable to international students for the term in which the Permanent Resident Status was granted.

If the student has already paid the course tuition fees applying to international students for the term, a total refund of these fees will be payable to the student, if the student has obtained Permanent Resident Status by the commencement date for that term.

## **1 Payment of Course Tuition and Accommodation Fees**

### **1.1 International Students**

These fees are payable in instalments.

On accepting the offer of enrolment into a course, a deposit of A\$18,000 is required which will be deducted from the total fees.

This deposit will be deposited by telegraphic transfer into the College account at:

**ANZ Banking Group, 167 High Street, Belmont, Victoria, Australia:**

**BSB No. 013 523, Account No. 2538 60316.**

Please advise the College by faxing the attached completed Advice of Deposit Form ([FORM-045](#)) for the attention of Cathy Bent when this deposit has been made to ensure that it is credited to your account. Alternatively email Cathy direct on [bent@marcusoldham.vic.edu.au](mailto:bent@marcusoldham.vic.edu.au).

The College will then issue you with a Confirmation of Enrolment document for Full Fee students, to enable you to obtain a student visa from the Australian Embassy.

The balance of fees will be due and payable in three instalments paid in April, June and August in the year of study.

### **1.2 Australian Students**

Students are required to pay in full the appropriate instalment of the tuition fee on receipt of the invoice. Instalments are due in February, April, June, August and October of each year.

### **1.3 Commencing students**

Commencing students are required to pay an amount of \$1,000.00 at the time of accepting a place of enrolment in a course. This amount is credited in full to the student's academic fee account. Failure to comply with the required payment date in February may result in the termination of the offer of a place of enrolment at Marcus Oldham College. Failure to comply with the other required payment dates may result in the termination of the students place in their course at Marcus Oldham College. A student who has his/her place in a course terminated will be liable for all fees and charges payable up until the date of the termination.

### **1.4 Returning Students**

Third Year Bachelor of Business (Agriculture) and Second Year Agribusiness (Associate Degree of Agribusiness)

Returning students are required to pay an amount of \$500.00 to secure enrolment in their chosen course. This amount is due by the 31<sup>st</sup> of October in the year prior to the commencement of your course. This amount is credited in full to the student's academic fee account.

### **1.5 FEE-HELP**

[FEE-HELP](#) is a loan given by the Australian Government to eligible fee paying students to help pay part or all of their tuition fees.

You can borrow up to the amount of the tuition fee being charged by the college for your course of study. However, over your lifetime you can borrow only up to the FEE-HELP limit. This amount is indexed each year. **Note;** residential fees **cannot** be paid with FEE-HELP.

A loan fee of 25% applies to FEE-HELP loans for undergraduate courses of study. The FEE-HELP limit does not include the loan fee. No loan fee applies to FEE-HELP loans for postgraduate courses. See [www.studyassist.gov.au](http://www.studyassist.gov.au) for complete information on FEE-HELP.

Please familiarise yourself with the conditions and availability of FEE-HELP from this website and complete the details as requested on the [final page](#) of this Finance Agreement.

## 2 REFUNDS OF COURSE TUITION FEES

### 2.1 Total Refund

- 2.1.1 A student who enrolls in a unit or course of study but withdraws on or before the census date is not liable to pay their tuition fees for that unit or course of study. If the student has made an up-front payment(s) in relation to that unit or course of study, Marcus Oldham College will repay those amounts to the student, and, if the student has requested a FEE-HELP loan, the student will not incur a FEE-HELP debt for that unit or course of study.
- 2.1.2 Refunds for upfront student contribution payments will be made in accordance with the Commonwealth Government legislation, which states that 'students who withdraw before the census date will not have to pay the charge for the units or course from which they have withdrawn. Students who withdraw after the census date will have to pay the charge'. If you withdraw after the census date, you may be eligible for a refund if you are able to demonstrate exceptional circumstances. See 2.1.6. A written Application for Refund must be received by the College within 30 days from the date of withdrawal from the course.
- 2.1.3 Withdrawal fee: A student who enrolls in a unit or course of study but withdraws after seven (7) days from commencement of the unit or course of study will be liable to pay to the College an amount equal to the total of the academic fee and the residential fee for the total period the student was enrolled in the unit or course of study.
- 2.1.4 In the event that the college is unable to provide the course, all tuition and fees paid will be fully refunded.
- 2.1.5 Marcus Oldham College defaults, whereby:
- the course does not start on the agreed starting day,
  - the course ceases to be provided at any time after it starts but before it is completed,
  - The course is not provided in full to the student because a sanction has been imposed on the Colleges registration under the ESOS Act for breaches of the National Code.
- 2.1.6 Exceptional Circumstances: A written notice of withdrawal made by the student due to exceptional circumstances may be accepted as grounds for a total refund of tuition fees paid in advance of notice of withdrawal. Fees will be payable up to the day the notification of withdrawal was received by the college.
- Grounds for refunds:
- A written notice of withdrawal due to exceptional circumstances may be accepted as grounds for either a total or partial refund of fees, subject to the provision of acceptable documentary evidence in support of the application for a refund, including:
  - inability to obtain a student visa
  - illness or disability
  - death of the student or a close family member (parent, sibling, spouse or child)
  - political, civil or natural event that prevents full payment of fees by the agreed date – see Payment of Course Tuition and Accommodation Fees ([above](#))
- 2.1.7 Re-Credit of FEE-HELP balance due to Special Circumstances: Further to clause 2.1.6 The grounds for refund of tuition fees may extend to the Re-Credit of FEE-HELP balances if Special Circumstances apply in addition to the Exceptional Circumstances mentioned above. When applying the test of Special Circumstances, Marcus Oldham College will determine if the circumstances are wholly beyond the control of the student, don't impact until after census date and make it impracticable to complete the units
- 2.1.8 A written notice of withdrawal made by a commencing student and received by the college prior to the scheduled commencement day of the course for which the intending student is enrolled.
- 2.1.9 The course starts on the agreed day (i.e. on the day on which the course was scheduled to start, or a later date agreed between Marcus Oldham College and the student) but the student does not start the course on that day and has not previously withdrawn from that course. The student subsequently withdraws from the course prior to the census date.
- 2.1.10 The student's candidature is terminated by Marcus Oldham College when entry criteria for the student have been found to be inadequate.
- 2.1.11 Marcus Oldham College withdraws an offer on the basis that the offer was made on incorrect or incomplete information being supplied by the student or intending student.

## **2.2 Partial Refund**

- 2.2.1 A student who leaves the course without written notice prior to the relevant census date and without sufficient cause as assessed by the Principal is entitled to a refund of fees paid in advance of the final day the student remained at the college... An administration fee of 10% of the tuition fees for one semester will be payable by the student. All fees and charges incurred by the student up to and including the final day will be paid by the student. In this instance a student may make a claim in writing to the Principal for consideration of a refund of tuition fees. Residential fees will not be refunded. The Fee Refund Appeal Committee ([see 6. below](#)) will be the final arbiter in making this decision. The written claim must be received by the college within 30 days of the final day the student remained at the college.

## **2.3 No Refund**

- 2.3.1 A student who withdraws from a unit or course after the census date of the teaching period will be liable to pay the full academic period cost of the course. An administration fee of \$250 will also be payable by the student.
- 2.3.2 Academic or Social Exclusion. Students who are not eligible to continue their course of study due to academic or social exclusion implemented on behalf of the college by the Principal will not receive a refund of tuition fees paid in advance to the final day of the current academic period.

**Academic exclusion** is the result of the student not achieving educational outcomes to the satisfaction of the College.

**Social exclusion** is the result of the student breaching social and behavioural standards set out in college documents and transmitted to each student prior to, or on, the enrolment day of the College for the course in which the student is enrolled.

## **3 Refunds of Course Tuition Fees where Marcus Oldham College defaults**

Refunds will be made within six (6) weeks after the Marcus Oldham College default date and a statement will be forwarded to the student advising how the amount has been calculated.

## **4 Refunds of Course Tuition Fees where the student defaults**

Where a student has commenced a course of study, continues to be enrolled after the census date and gives written notice to terminate their course of study, no course tuition fees paid in advance are refundable plus an administration fee of \$250 will be levied. The student will be required to pay all fees and charges up to and including the final day of the current academic period if their fees have not been paid in advance for that period.

Where a continuing student who is permitted to re-enrol, submits a re-enrolment form for the next academic year but does not pay the required fees and does not withdraw from studies, the tuition fees for the current year must be paid before the student can commence the course.

## **5 Payment of Course Tuition Fee Refunds**

In circumstances where Marcus Oldham College defaults (see above), if a refund of course tuition fees paid to Marcus Oldham College is applicable, Marcus Oldham College must refund the amount within six (6) weeks after the default day, the default day being the day the course ceased to be provided.

In circumstances where the student defaults, if a refund of course tuition fees paid to Marcus Oldham College is applicable, Marcus Oldham College must refund the amount within four weeks after receiving a written claim, from the student. The written claim must include the date of the claim, the student's full name, and the basis for making the claim, the address to which the refund is to be forwarded, and the student's signature. Claims will not be processed where the signature on the claim does not match the student's signature as shown on other documents provided by the student for admission to Marcus Oldham College. Students are required to submit the written claim as soon as possible after the default day.

Where a full or partial refund of the course tuition fees paid to Marcus Oldham College is applicable, Marcus Oldham College may as an alternative to making a refund payment, arrange for another course or part of a course suitable to the student or intending student, and transfer the due refund as payment or part payment for that course. If the student agrees to accept this alternative arrangement, Marcus Oldham College is relieved of its liability to make the refund payment.

## 6 Appeal Procedure

A student may appeal against a decision by Marcus Oldham College not to refund some or all of the tuition fees paid by him/her to Marcus Oldham College.

There shall be a Fee Refund Appeal Committee consisting of three members:

- Principal
- Chief Financial Officer
- Course Director

A notice of appeal shall be lodged in writing with the Principal within one month after the day on which the decision appealed against was posted to the student.

The Principal shall give the student 21 days' notice in writing from the date of postage of the time, date and place set for the hearing of the appeal.

In the hearing of an appeal a student may make submissions in writing or in person and may be represented by another person.

The Fee Refund Appeal Committee shall hear and determine any appeal referred to it by the Principal and the Committee's decision shall be final.

Students retain the right to take further action under Australia's consumer protection laws.
